Subject: Agilent Quote - ChemStation with PC

Hello Peter,
Thank you for your interest in upgrading your ChemStation software.

Per your request, I am attaching a quote for an upgraded ChemStation with PC. The monitor and printer has been removed from this quote. I have also included time for an Agilent Engineer to install this new system.

If you should have any questions or concerns relative to this quote or if there is anything else that I may assist with please don't hesitate to contact me.

Thank you again for contacting Agilent. We appreciate your business.

Best regards,

Eric Pertschi
